Bouldering Trip Information Sheet

All Sections

Program Description

Explore Northern Colorado's iconic bouldering scene with Outdoor Programs (OP) on a guided trip to Horsetooth Reservoir. Open to all skill levels, this outing includes instruction in spotting, route navigation, and local climbing culture, led by experienced OP Instructors. All necessary equipment—including climbing shoes, chalk bags, and public land permits—is provided, along with transportation to and from the site.

Registration Required

Students must register online before the start of the program. Registration fees cover all necessary equipment, instruction, permits, etc. If a program is full, students may join the waitlist by registering in-person at the Service Center front desk of the Student Recreation Center.

Register online at https://purchases.csurec.colostate.edu/

Pre-Trip Meeting

After registering, student participants will be sent an email confirming their registration. This email will also contain the location, date, and time of the Pre-Trip Meeting. Attendance at the Pre-Trip Meeting is required for participation.

During the meeting students will:

- Meet their Outdoor Programs Instructors
- Meet the other students participating
- Review trip logistics (meet time & location, travel questions, overview of the day/itinerary, end time, etc.)
- Introduce, familiarize, and fit equipment provided by Outdoor Programs
- Review equipment that students are responsible for bringing
- Review trip policies, documents, etc.
- Questions and Discussion

If you are unable to attend your pre-trip meeting, please contact us as soon as possible.

Refund Policy

Outdoor Programs registration fees are refundable **24-hours** after your purchase and are subject to a $5.00 processing fee. Participants must request a refund within 24-hours after purchase to be eligible for a refund. Refund requests can be submitted at the Service Center or by emailing csurec@colostate.edu

General Program Policies

All Outdoor Programs activities are considered Campus Recreation activities and all Campus Recreation policies related to program participation and facility use and access. More information regarding Campus Recreation's policies for our programs, services, and facilities can be found here.

Equipment

This list details equipment provided by the Outdoor Programs and equipment that student participants are responsible for securing themselves. If you have questions regarding what to bring, or what is provided please contact us as soon as possible. Personal equipment is acceptable and is subject to approval by Outdoor Programs staff.
